**Language courses** are **mandatory** and an integral part of the program

- We offer the following proficiency **levels**:
  - German A1 – C2
  - English A1 – C2
- Course Structure:
  - Classes with our partner company Lingoda
  - Class size: maximum of **7 participants**
  - Native speaker instructors
- Attendance:
  - Absence more than 30%: no certificate for the language course

### Placement Test:

This afternoon via your Slack class channel  
→ Please complete by the end of the day  
→ do NOT create an account

For more information visit our [language learning website](#)

## Fridays (mandatory)

### Option 1:

#### Soft Skills Training

- Conducted by **external trainers** or through the **self-learning platform [Good Habitz](#)** (more information will be provided)
- Topics covered include:  
team building,  
communication, intercultural competence, agile working,  
presentation techniques

### Option 2:

#### Mentoring

- Duration: 96 units
- **Additional support** provided by another instructor

# Administration

## Participation / Attendance

Attendance will be tracked on a **daily basis**

It will be consistently **reported** to your job center/employment agency.

- Therefore, it is important that you **immediately inform us** of any **absences**.
- You can find all the details and information about what happens when you have too many absences under the section “**absence rules**” in your **school contract**.

# Attendance Rules – Process

1. You are **not** (or **only partially**) participating in the course

2. You will automatically receive an email **1-2 days later**

3. Click on the **link** in the email

4. Fill out **all fields** marked with an asterisk (\*)

5. If available, **attach a document** (such as a sick note or other confirmation of your absence)

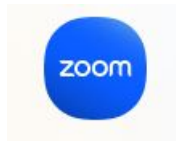

6. **Submit** the form

*\*Absence notes **cannot be accepted via Slack or email**, only through the digital absence form sent via email.*

# DCI Tool overview

To ensure a seamless experience, we kindly request that you **familiarize yourself with the tools** and **create a profile** using your full name.

We use **Zoom** for virtual meetings

- In exceptional cases, and with the **consent** of the entire class, instructors may **record the sessions**.

We use **Slack** for our daily communication

- This is where you'll receive **important information** about the course from your instructors and class management, and where you can **chat** with other participants.
- To stay updated, please check the **#dci\_fbw\_wd23\_e11-a** channel **every morning!**
- Profile:  
*First Name / Last Name*  
*(Participant in WD 23-E11 A)*

# Guide to success

---

## Teamwork

Give your classmates space to speak up as well and be open for other ideas

---

## Mic on / off

Turn off your microphone when you are not speaking

---

## Camera

Turn on your camera – it's much nicer to speak with faces than empty boxes

## Classes

To get the most out of the course, it's important for you to actively participate

---

## Self-study

Sometimes it's necessary to review topics after class, watch additional YouTube videos, and ask for feedback

Only Google  
knows  
everything...

- The **teacher is an expert** in their field
- However, they don't have to have **all the answers** to every question
  - They will show you **how to research answers** (methodology)
  - They are preparing you for your **future work**

# Questions?

Support us in our mission  
to give people a new  
perspective on the  
digital industry.
